

The Clean Heart Lifestyle

Create in me a clean heart O, God and put a new and right spirit within me. Ps 51:10

The Clean Heart Lifestyle is a lifestyle based on making choices that are rooted in the Word of God and not in the seduction of the world. The Clean Heart Lifestyle is lead by the Spirit of God and consciously chooses holiness and humility over hype and hubris. The Clean Heart Lifestyle realizes that life is not about “me.” It’s all about God and His purpose for our lives. It is joyfully submitted and surrendered to the perfect will of God because it fully understands the benefits of Kingdom living now and forever. The Clean Heart Lifestyle reflects the light of Christ in such a manner that influences people and makes an eternal impact on this world.
